Hi Dru:

Attached are my edits – I don't have many. The main substantive comment that I have is whether the facilities have been put on the three-year unit workplan (i.e., is that the workplan that you mention in the letter)? If so, you might want to say that it's a three-year workplan so that there's an indication of when we might be starting on it.

Let me know if you want to discuss further, etc.

Subject: FW: Draft Status Report on the Army Corps Dam NPDES permits

Hi Courtney, just checking to see if you've had a chance to review these letters re Dam Permit status. I am here through Wed of this week and then out until the 31st. I'd like to get the letter out before I leave.
Thanks

Dru

Subject: Draft Status Report on the Army Corps Dam NPDES permits

Hi Courtney,

We received letters from the Corps requesting a status report on their applications for NPDES permit. You might recall, that as part of the SA with the Columbia River Keepers, the Corps has to provide a status report on our progress in issuing the permits.

Attached are copies of the 2 letters from the Corps (one for each district) and my draft response letter for one district - I'm doing the same letter for the other district.

Please review and provide comments.

Thanks!

Dru
